

LIZAVETA ZHUKOUSKAYA

FRONTEND DEVELOPER (REACT)

SUMMARY

I've been doing frontend development since 2020. I can say that I really like it. Having a liberal arts education, I decided to study the basics of programming to develop technical thinking. In the process of studying, programming fascinated me and I decided to develop in this direction professionally.

EXPERIENCE

- RS School(December 2021 - May 2022)

Portfolio

<https://rolling-scopes-school.github.io/zhukouskaya-JSFEPRESCHOOL/portfolio/>
